

HISTORIC ALEXANDRIA FOUNDATION

TOASTING  
**OUR TOWN**

November 14, 2009

Alexandria's history, extending back to the town's settlement in the 18th century, is distinguished. An essential part of our city's legacy is the architectural heritage that survives in the form of houses and commercial buildings. From utilitarian to splendidly elegant, these structures represent the physical link between us and all those who have gone before. The Historic Alexandria Foundation (HAF) encourages preservation of these irreplaceable national treasures, educates the public as to the importance of its stewardship, and urges policy makers, developers and citizens to consider the value of historic buildings.

Monies raised for our Historic Alexandria Preservation Fund (HAPF) have contributed to the preservation and restoration of most of the city's museum properties, as well as many meritorious private projects, and has paid for architectural surveys of historic buildings in the Rosemont, Del Ray and Seminary Hill neighborhoods.

Special thanks to our Gold Sponsor, McEneaney Associates Inc. and Babs Beckwith, for underwriting our evening.
